

2002 FALL WALKS

The PPP (planning, preparing and praying) for the fall Men's and Women's Walks are in full swing. We ask for your prayers as we continue to meet and work toward these Walks. Please also remember the pilgrims and the WHOLE teams (both Conference Room and Auxiliary.) Also, please pay particular attention to the fact that at this point **NEITHER** Walk is full. Please prayerfully consider who to sponsor and help us **fill these Walks**.
