RUNNING THE RACE -A FOURTH DAY COMMUNITY

COMMUNITY LAY DIRECTOR'S LETTER

I recently attended a Christian businessmen's lunch. The story to start the conversation was about a person whose friends had bicycled two miles to have lunch with him. When they arrived they talked about how tired they were. The author commented that he had been on bicycle trips where he had traveled 100 or more miles in a day. He then noted that his friends had not really prepared for their travels. The were riding "comfort" bikes – ones with heavy frames, fat tires, wide seats, high handlebars so they could sit up, and few gears. He then compared their bikes to his, which had a light frame to reduce weight, thin tires to reduce rolling resistance, a thin seat so he wouldn't get saddle sores, low handlebars to reduce wind resistance and balance the weight between the tires, and a number of gears, so he would have an appropriate gear for every terrain. Each bike has its purpose – the first is good for off-road riding, short trips, while the other is good for long road trips.

The focus of the questions afterward related to how prepared we are, and whether we are prepared for the long haul.

It dawned on me (which means the Holy Spirit got my attention) that this applies not only to individuals, but organizations and ministries. Emmaus is to help prepare Christians for the long haul – to be a fourth day community. As a fourth day community, are we preparing ourselves for our walk with God? Are we involved in re-union or fourth day groups? Are we attending gatherings, serving in our churches? Communities? Missions? Elsewhere? Or, are we a threeday community - existing only for the three-days of the walks, and then not involved in anything until the next walk?

Now that I have asked these rhetorical questions, I will attempt to answer them. From what I have seen, this community is serious about being a fourth day community. We have a number of re-union/4th day groups, many that have been meeting for years. We have monthly gatherings. Anyone who attended the last gathering can tell you what a treat

People meet and pray for selection of team members, for sites for walks, for gatherings, for nominations to the board, for Pilgrims, and generally pray for how God's purposes may best be served by the community. This is evident in the teams that have been serving on the walks and the Pilgrims who have been taking their walks.

This community is intent on improving sponsorship and the Pilgrims attending walks – a sound plan for the long haul. The community demonstrates planning for the long haul in this area in a number of ways. First, we conduct sponsorship training, and have made attending sponsorship training a requirement before sponsoring a Pilgrim. It is necessary to renew training once at least every two years, so it is fresh in the Sponsor's mind. Sponsors have to plan ahead to sponsor, as we require that the minimum number of 20 pilgrims be met one month prior to the beginning of the walk. The Sponsors will have sufficient time to meet with their pilgrims, to gather letters, to remind their Pilgrims of the things they will need to bring to the walk, to get items to meet special needs of their Pilgrim while on the walk, and generally have sufficient time to truly give the gift of sponsorship.

The Emmaus model is our roadmap. We have been seeking to follow that model, and provide the best walks possible. The Emmaus Handbook lists some of the reasons for following the model. Some of the reasons set forth in the Handbook are:

CHICKADEES

HARRY WALLIN

This was used several years ago in *Footprints*, and we include it again for your enjoyment.

In the winter darkness, something miraculous happens. The winter solstice passes and the days start getting just perceptibly longer. Before we notice it in our hustle-bustle technical world, the Chickadees notice. The lengthening of the days touches something deep in their souls. Many respond without knowing what they're responding to or why.

Chickadees live their whole life at a dizzying pace. They are so small that they have their metabolic thermostats turned 'way up. It is relatively uncommon for a chickadee to see its second winter. That makes their response all the more wonderful.

About the first of the year these plucky little birds start singing a different song. You occasionally hear it other seasons of the year, but it's mostly January through May. To anyone familiar with their CHICK-A-DEEEE call, this song doesn't sound like it could come from the same bird. It's a high, clear, two-note whistle. The second note is a full note on the musical scale lower than the first note and is sometimes interrupted into two legato notes of the same pitch. It seems that bird songs are more memorable to many of us humans if we put our own words to them. This song is variously described as DEEE-DEEEE, FEE-BEEEE, or CHEESE-BURGER, depending on your ear and how long it's been since you've eaten.

I learned to call this the spring song of the chickadee. It's the signal to other chickadees that it's time to prepare for the time of abundant living. The chickadees are the harbingers of spring, far more than the wildflower that bears that name. In the midst of winter, when there's a guarantee of much more winter weather, the chickadees sing Spring. One or two start, and it catches on.

More and more chickadees sing Spring, then the Titmice and the sugar maples follow, and the cardinals and the robins.

At a time when many of us are hibernating or cocooning, the Chickadees are singing. A tiny ball of fluff and energy sings spring into being. Listen for it. Join the song.

RESOLUTION OR TRANSFORMATION

A WORD FROM OUR SPIRITUAL DIRECTOR

PASTOR ANDY CROEL

The steadfast love of the LORD never ceases, his mercies never come to an end; they are new every morning; great is your faithfulness.

Lamentations 3:22-23

Create in me a clean heart O God, and put a new and right spirit in me.

Psalm 51:10

January brings with it the New Year and offers a time when many of us consider our lives, and make a few resolutions and promises of self-improvement. January ends with many of those promises forgotten, or only remembered in guilt as old patterns and habits return. It can be difficult to actually be the new creation that Paul writes about. You can read about being born again in John 3, but to actually live as a new person can certainly be a challenge.

Do you remember the talks about grace given on your Emmaus Weekend? You heard about prevenient, justifying, and sanctifying grace. You learned all you ever wanted to know about means of grace and obstacles of grace. What if renewal and improvement are grace filled activities? What if self-improvement does not exist? Wesley and the early Methodists were certainly methodical, however it was a methodology of grace. We participate in means of grace in order that God, through the power of the Holy Spirit would sanctify us. Those means of grace include things such as communion, prayer, scripture reading, Christian fellowship, and accountability.

These are not items of a "to do" list. They are not part of a "7 steps to a better you" program. They are means by which you can be in touch with and receive the grace of God. It is this grace of God that makes you and I new people in Christ.

John Wesley had a covenant service that United Methodists sometimes use around the first of the year. Listen to these admonitions from Wesley's Covenant Service:

"First, set apart some time, more than once, to be spent alone before the Lord; in seeking earnestly God's special assistance and gracious acceptance of you; in carefully thinking through all the conditions of the covenant; in searching your hearts whether you have already freely given your life to Christ. Consider what your sins are. Consider the laws of Christ, how holy, strict, and spiritual they are, and whether you, after having carefully considered them, are willing to choose them all. Be sure you are clear in these matters, see that you do not lie to God." [Taken from the United Methodist Book of Worship p. 291]

Or, perhaps it would be helpful to consider the questions that are a part of the Emmaus fourth day plan: Reflect upon your spiritual life (morning devotions, prayer life, worship attendance, communion, spiritual retreat). Reflect upon your study of Holy Scriptures, spiritual guides, other reading, and your participation in studies or classes. Reflect upon your action. What have you done this year so that Christ will be better known and loved in the world around you?

This year, instead of resolving to be better, perhaps we should all resolve to open ourselves up to God's transforming grace in order that God would actually make us better people. Are you serious about change are renewal? How are you going to connect better and more often with God's grace? Who are you going to partner with in this?

May God the Father bless you richly with transforming grace, by the power of the Holy Spirit, and in the name of Jesus Christ. Amen.

START THAT AGAPE PROJECT NOW!

You don't have too much time to get your agape ready for the February walks. So get your Reunion Group together and get started!! You need 60 pieces for conference room agape, 48 pieces for pillow agape and 65 for table agape. Check out the agape you received on your walk for ideas. Or you can brainstorm and come up with some brand new ideas. If you are struggling with ideas, go to your favorite Bible verse and see if God will inspire you! While you are working on those little "love gifts" you can be praying for the pilgrim or team member that will eventually receive them. Isn't that what agape is all about – to show God's pure love to another?

Please have the number of pieces of each agape on the package – it sure helps out the mailroom to not have to count them again. The earlier in the weekend that you can get your agape delivered to the mailroom, the better. The mailroom tries to tie agape with the talks or dining room decorations. If you prefer your agape to be delivered at a certain time or place, please have that marked on the package as well.

Thank you for taking some time to make the February walks so very special for those that will be taking their Walk to Emmaus.

Blessings, Janet Ball Agape Coordinator

Your Emmaus Board

Here are the minutes of the last meeting of your Lansing Area Emmaus Community Board of Directors. Please take the time to read it over. Come join us at our next meetings at 6:30 P.M. on Tuesday, January 8 and Tuesday, February 12 (at Pilgrim UMC). Board meetings are always open to any Community member who wishes to attend. Do you have concerns: Call or e-mail Andy Sass, our Community Lay Director, or any Board member and we'll be sure you get included in the agenda. Please prayerfully consider being a member of one of the Board Committees. Most Board members have committees to help them do the work. There really is much more than one person can do. Join us in service.

Guests: Peggy Pirhonen, Michelle Gillison

Opening prayer and devotion: Prayer was given by Andy Sass.

Secretary: Janet Ball. Minutes of the November 13, 2007 meeting were read. Lyle Ball moved to approve the minutes, Harry Wallin seconded. Motion carried.

Treasurer: Lyle Ball. Balance reported - \$4,209.55. There was a discussion on Walk Spiritual Directors (and Assistant Directors) keeping their walk manuals. It costs \$70.00 per manual. *Pastor Andy will contact the Spiritual Directors and Assistants from the last walk.* Janet Ball moved to accept the treasurer's report pending audit. Harry Wallin seconded. Motion carried.

Community Spiritual Director: Rev. Andy Croel Pastor Andy had talked with Pastor Becky Morrison, she will be going off the LAE Board of Directors. She sends her thanks for allowing her to serve the community in this way.

Assistant Community Spiritual Director: Rev. Becky Morrison. No report.

Assistant Community Lay Director: Kathy Wilson. Kathy reported on the Board Retreat coming up on January 4 & 5 at Pilgrim. The facilitator is all set and Kathy was given direction from the board as to scheduling. Laurie Randall (facilitator) will be incorporating the Upper Room Walk to Emmaus Handbook into the training. It was suggested that the board plan a date for long-range strategic planning in July.

Community Lay Director: Andy Sass. Andy has had correspondence with lay directors and team selection, and attended the first Team meeting of both the men's and women's walk teams. A full report is on file. Russ Fries move to approve Dave Stinson and Kathy Wilson as Board Representatives for the February Walks. Lyle Ball seconded. Motion carried.

Training: Elnora Wallin. Training was based on Chapter 10 in the Handbook – "4th Day Follow-up". It has proven to be very helpful to have the spouse's follow-up meeting. The Handbook does detail a "Team" follow-up meeting. It was suggested that Andy Sass contact the Walk Lay Directors and have them set up a date for this meeting.

Agape – Janet Ball: Janet asked about getting mailroom workers for the February walks, as she will be officially off the board December 31. It was decided that she will get workers, so the new agape coordinator won't be overwhelmed just coming on the board.

Auxiliary / Kitchen – Judy Hazle: Judy has the auxiliary heads and kitchen heads set for February.

Data Manager / Newsletter – Harry Wallin: The next issue of the newsletter will be going out shortly after Christmas. Harry could still use some articles. There has been major progress in getting the data base set up. Russ will talk with Carol Lanfear about the possibility of setting up a password sensitive link on the website.

Emmaus Store – Joann McCrum: No report. Lyle needs an updated inventory of the store's supplies so the value can be added into the assets.

Gatherings / Prayer Vigil – Dave Stinson: Michelle Gillison has the theme set for the January Gathering being held at Ionia First UMC. The theme is "Light Your World". She will also be starting a "prayer room" at gatherings for those that need prayerful support.

Outreach - Kathy Wilson: No report.

Sponsorship / Candlelight / Closing – Russ Fries: Russ generated a list of all the people that took sponsorship training in 2007. This list is on file in the secretary's book. Harry Wallin moved to have the Sponsor Hour service and song enlarged and then laminated. Pastor Andy Croel seconded. Motion carried.

Registrar – Terrie Eisenmann: Terrie needs someone to be responsible for getting Pilgrim applications while she is gone to Haiti in January. Lyle will talk with her about connecting with her husband while she is gone.

Supplies / Site – Lyle Ball: Lyle has the proof of insurance for the new trailer. He will now go the Secretary of State office and get the new plates. He has two offers on the old trailer. Russ Fries moved to hold the fall women's walk at Alma UMC on October 9-12. Lyle Ball seconded. Motion carried.

Team Selection – Elnora Wallin / Judy McPherson: No report.

Other Business: None.

Pastor Andy closed the meeting with a reading from "This Day" and a prayer.

In Christ's Service,

Janet Ball Secretary

Running Continued from P. 1

"The manuals prevent Emmaus from being remade after the likeness of the various leaders. Unlike many religious events, Emmaus is not leader-centered; it does not depend on charismatic personalities, especially gifted presenters or experienced retreat masters. Rather, Emmaus depends on a team of ordinary Christians working together in the spirit of Christ according to the directions of an objective manual for a proven model."

"The manuals assure everyone that Emmaus, no matter where it is conducted, will be a common and trustworthy experience. We should be able to sponsor family and friends in other states and in other countries with confidence that Emmaus will be the same event for them as it was for us in terms of procedures and design."

"The manuals serve as a check on our human inclination to innovate. Most additions and changes in the model accommodate the team members, not the pilgrims."

"The manuals free the...teams to focus their energies in the proper direction: on preparation for Walks and on Fourth-Day challenges, rather than on the design of the three days."

The model is like the course for a race. If you don't follow the race course, you may wind up side-tracked and not making it to the finish line – you may as well not even have started the race. Also, if you go out of bounds, you may be disqualified from the race.

I Corinthians 9:24-27 "Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever. Therefore I do not run like a man running aimlessly; I do not fight like a man beating the air. No, I beat my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize." Let's continue to prepare to run the race, to run the race to the best of our ability, and to raise up God's people and equip them, so that they also may run the race to the finish line.

I would like to thank all of you for your love and dedication to God and His People, and your willingness to serve Him in so many ways.

God Bless and Keep You,

Andy Sass

ARE GATHERINGS IMPORTANT TO YOU?

WHY SHOULD WE MAKE GATHERINGS A PRIORITY?

Leonard Cammer writes: "The human being is the only species that can't survive alone. The human being needs another human being". God designed us to be in fellowship with one another. The Greek word fellowship is KOINONIA, which also means "community", "communion", "joint participation". The Greek word EKKLESIA gives the idea of being called out together. Matthew 18:20 says, For where two or three come together in my name, there am I with them.

I know you've heard this said a million times, but can you really grasp it? He promises to be with us as we come together in his name, to bring him glory! The presence of God in our midst! In a powerful way he will make himself known. Why would anyone want to miss out on that? Fellowship provides encouragement, support, spiritual growth and the chance to be trained in the art of love and service.

Hebrews 10:24 says, *And let us consider how we may spur one another on toward love and good deeds.* Think of all those who were dedicated to Emmaus long before we went on our walk. It *is* important to PAY IT FORWARD. May I encourage all of you who don't regularly attend monthly Gatherings to prayerfully consider attending. It is my prayer that you will be personally touched by God every month.

JUST COME. Be a part of the fellowship. By your warmth, your handshake, your smile, a kind word, your love and your concern for others, our fellowship will stay spiritually healthy. Christ is counting on you!

WOMEN'S WALK #68 OCTOBER 25 – 28, 2007 AT LAWRENCE AVE. UMC, CHARLOTTE

Ministry calls all of God's people to be active in carrying forward the ministry of Jesus Christ. Most often, this process involves our willingness to be the person God calls us to be. As a result of the witness of our lives, others discover for themselves what God is calling them to be and do.

In other words, when God's spirit is active **in** our lives, God's spirit is also active **through** our lives. Sequentially, ministry flows from God, by the Holy Spirit, to the deep within us. Then, by that same Holy Spirit, ministry moves from the deep within us to the deep within another.

(From - Sustaining the Spirit)

We were blessed to be a blessing in the lives of others. Thirty-four pilgrims attended Walk #68-each one a special blessing to this Emmaus Community and the Conference Room team that served with humility, gratitude and hearts filled with the Holy Spirit.

From the first team meeting – through the Walk weekend, the Holy Spirit surrounded us with love. Our love of

Christ and commit to Him lead and guided all of us to a deeper love and understanding of Jesus.

We shared three wonderful days in grace and now live the rest of our lives as a Fourth Day . . . continuing our Walk to Emmaus with Christ.

The February Walks are just around the corner and I encourage you to prayerfully consider sponsoring a Pilgrim.

Men's Walk – February 7-10, 2008 at Ionia UMC Women's Walk – February 21-24, 2008 at Ionia UMC

It is a blessing to be a part of the Body of Christ – building up and strengthening our church leaders during a Walk weekend where: *faith is re-explained, grace is re-experienced, the Christian community is realized and the Body of Christ is renewed.*

I want to express my appreciation for the opportunity given to me by the Lansing Area Emmaus Board of Directors to serve as the weekend Lay Director for Women's Walk #68. What a beautiful experience full of so many memories that will last a lifetime. Thank you for helping me strengthen my spiritual foundation through this wonderful ministry.

Karen Weller

-Make it a Priority to Attend the January Gathering-

Beginning in January 2008, there will be a planned program. January's theme is *Light Your World*. Begin to pray about whose world God wants you to light. Each month will have its own unique theme. For each "Regular Gathering," people will start coming together for fellowship at 6:00, Potluck will begin at 6:30 and Worship will start promptly at 7:00 p.m. and end at 8:00 p.m. There will be time for fellowship after worship as well as sponsorship training. Come with an open heart and don't anticipate! Prayer Rooms will be available. I am so excited to see what God has in store for the Emmaus Community.

The first three Gatherings in 2008 will be at a different location. They will all be held at Ionia First United Methodist Church, 105 East Main Street, Ionia. The church is located just southeast of the intersection of M-21 and M-66 in the city of Ionia. The January and March Gatherings will be "normal" Gatherings following the schedule listed above [begin coming together around 6, Potluck starting at 6:30, and worship starting at 7].

The February Gathering, on the other hand, will be held on Saturday, February 9, *Not Friday*, and will not include a potluck dinner. The date may sound familiar, and well it should. That is the date of the Candle Light of the Men's Walk. The Candle Light Gathering will be combined with the Community Gathering that night, and will start at 7:30 P.M. If you need Sponsorship Training, it will be held preceding the gathering at 7:00. This will be the first chance for the women of Walk 68 to attend a Candle Light.
