Will You Join in the Thanksgiving?

By Pastor Greg Buchner, Community Spiritual Director

“On your feet now—applaud GOD! Bring a gift of laughter, sing yourselves into his presence. Know this: GOD is God, is God, is GOD. He made us; we didn’t make him. We’re his people, his well-tended sheep. Enter with the password: “Thank you!” Make yourselves at home, talking praise. Thank him. Worship him. For GOD is sheer beauty, all-generous in love, loyal always and ever.” (Psalm 100 – The Message Paraphrase)

I love The Message paraphrase. For me, it comes across with just a bit of realism that brings new life to some passages I have learned differently over the years...this one especially.

For my brain, Psalm 100 has always started “Make a joyful noise to the Lord all the earth. Worship the Lord with gladness; come into his presence with singing.” Now does it sound more familiar?

Maybe that’s the problem? This whole “thanks to God” thing has become so familiar that it sounds almost foreign to us when we’re commanded to get on our feet and applaud our God. Could we even do it? Try this, stand to your feet and for the next minute, just sixty seconds, I invite you to give God some applause. Go ahead...yes you....God is waiting and I’ll wait too.

How odd was that? I started running out of steam at thirty seconds! But I kept going anyway, and I hope that you did too or that at least you’ll keep trying. Doesn’t our God who is all generous in love and always loyal deserve that praise and more?

These times are not times for just simply telling one another what we’re thankful for, even though that can be rewarding. These times require something more. God is God is God is God is God and our God is asking us to thank him, to make ourselves at home with him, to share our praise with him, and to worship him. He made us...we didn’t make him! We are his and by his grace, he is ours, so are we truly willing to show it?

My question is simply this, “Will you join me in the Thanksgiving; not the holiday, not the meal, but in actually giving God the standing ovation he deserves?” Being good Emmaus folk, I know you will! ☺

Update - Agape and Prayer

By Julie Anderson, Agape Board Chair

I would like to encourage you and your 4th day reunion group to sign up on the prayer vigil to pray for a walk each week. The web site is (www.3dayol.org/Vigil/GetComm.phtml) You could also send that walk a general Agape letter from your group to let them know that your group is praying for them. These letters would be shared with the pilgrims (or butterflies) during the weekend as general Agape.

It is not too early to prepare Agape for the men's and women's walks in March and also for the Chrysalis flights in January (girls) and February (boys). The correct number of items is 65 for all walks/flights. The form to include with your agape is below.

We are in the process of creating a new world agape letter from the Lansing Area Emmaus Community. This is the letter we send to other communities supporting their walks. If you have an idea you would like considered, please submit it to me by email (or postal mail) no later than Dec. 31, 2012.

Welcome, Pilgrims from Men's Walk 84 and Women's Walk 85

By Mike Walker, Community Lay Director

Wow! What a month October turned out to be! A wise friend of mine (and probably yours also, thanks Kathy!) once told me instead of saying you are busy praise God by saying God is good! All the time! I already love to say this but it just reinforced it for me!

With that said. God is good! All the Time! And, All the Time! God is good!

I would like to say **Thank You** to the Lansing Area Emmaus Community for your awesome participation during the Men's Walk #84 and Women's Walk #85 and for your support during the Thursday night activities, Candlelight, and Closing! You showed them agape love, and set an example for them to follow as they begin to sponsor, work on a conference room or a behind the scenes team, participate in this loving community and continue to serve in their churches!

As I write these comments for the newsletter, the Walk Lay Directors for the Spring Walks (Men's Walk #86 and Women's Walk #87), are hard at work building their team, God's team. Please lift them in prayer for the work that they will do, those who will receive a call to serve, the pilgrims that will attend the walks and the churches that will host the walks.

Do you remember your walk experiences? Pass it on; Participate in a reunion group or accountability group, Come to Gatherings, Sponsor a pilgrim, be in the room Saturday night to experience the love and beauty of a candlelight service, come to Closing and as always Pray, Pray and Pray some more!

From "The Upper Room", the objective of Emmaus is to inspire, challenge, and equip the local church members for Christian action in their homes, churches, communities and places of work.

We welcome our new community members from Walks #84 & #85 to the Lansing Area Emmaus Community. May your Fourth Day be a blessing. We are glad you are here and that you are now part of our Family!

Let us all keep our eyes on Jesus as we continue to pray for each other in our fourth day. Be Christ's hands and feet and set a great example for new members of our community and members of our churches as they look for ways to put into practice all that the Holy Spirit has revealed to them during their time with Him. Allow yourself to be refreshed and renewed as you see the Spirit at work in them. Blessings to each of you!

Pastor Lynn from Potterville tells us, "You have seen Christ now go and be Christ!"

Calling Emmaus Pastors...2013

We are looking for pastors to cover gatherings and/or closings, walk spiritual directors, as well as serve as assistant spiritual directors who work on the Spiritual Direction team. Our goal is to have a group of pastors, each with their own distinct responsibilities, serving instead of a few trying to do it all.

Are you willing to give something to this tremendously successful lay-led ministry? Are you interested in making a difference in the hearts of many and in the God-work of our Emmaus community? If you've taken your walk and now you want to give back, send me an email pastorgreg@unitedchurchofvid.com or give me a call at 989-621-7782 and we will find a place for you to serve.

De Colores,

Pastor Greg, LAE Community Spiritual Director

Give Thanks

By Terrie Eisenmann, Assistant
Community Lay Director

Just this week I realized that Thanksgiving had crept right up on me (again!). This week I have been especially intentional about paying attention and watching for those moments "closest to Christ." At our Board meeting last night we reflected on the walks recently held at Lansing Trinity UMC, and praised the Lord for his mighty work in the pilgrims, and in the Conference Room and behind-the-scenes volunteers. God's abundant blessings also poured out on the congregation at Trinity, and our Community Lay Director and our Community Spiritual Director and your entire Board. It is a season of Thanksgiving indeed.

I thank God that as a Board we have focused on growing in grace, patience, kindness, respect and love this year. We spend 15 minutes in the chapel prior to Board meetings and begin our time in God's presence with the reading of COL 3:12-17. I thank God for our Community Spiritual Director, Rev. Greg Buchner for this important spiritual leadership. This meditative time together helps us to leave the world behind for a time, "be still" and listen to the Holy Spirit as he guides our thoughts and actions. Early in 2012 we established some "guidelines for unity" for our Board meetings. These have given us a structure, helped us listen to each other, helped us tame our tongues, and shortened the length of our meetings! God is so good. ALL THE TIME. It is a season of Thanksgiving indeed.

As my list of moments "closest to Christ" grows longer, I remind myself how important it is for us to be thankful always, and in all circumstances, all the time -- not just at Thanksgiving. We serve a mighty God, who loves us and thankfully does not give us all that we want, nor all that we deserve! I thank God for giving me the eyes to see Him in abundance even in the mundane.

Every season is a season of Thanksgiving indeed!

Additional LAEC Gathering Opportunity

There is an additional opportunity for anyone in the Lansing Area Emmaus Community to attend another Gathering on the 1st Saturday of every month at the First United Methodist Church, 204 W Cass in Greenville, MI 48838.

Arrive for fellowship at 4:30 PM. Dinner will follow at 5:00 PM and Worship at 5:30 – 6:30 PM.

Sponsorship training will be provided at 6:30 – 7:30 PM. Remember, in order to sponsor a pilgrim you need sponsorship training every two years. This training needs to take place prior to the invitation to an individual to go on a walk as there is valuable information in the training to prepare yourself as a sponsor.

If you have any questions regarding the gathering in Greenville, contact Tracie Massar by phone at (989) 506-0933 or by e-mail at tracie.massar@yahoo.com.

Kitchen Update

By Peg Pirhonen, Kitchen Board Chair

TRUE CHRISTIAN LEADERSHIP BEGINS WITH SERVANTHOOD

Walks provide an opportunity to tap into the power that is produced when faith is mixed with action, and then getting to watch GOD move in the lives of all involved.

It was wonderful to see new friendships being formed and the growth of so many willing servants, as tasks were completed, wherever needed, to assist in providing a successful walk.

The actions taken were a great confirmation of the love and caring that individuals have for each other, even when they do not know all the parties involved.

If you have not volunteered to be a servant on a walk, please consider doing so. It is sure to be a very rewarding experience.

If you are interested in working behind the scenes on future walks, please be sure your information is updated on IMS. Many times attempts have been made to contact people to be part of the team but the information available is not valid. If you had a landline and now have a cell phone, moved or changed your e-mail address, your current contact information may not be available and therefore, we have been unable to contact you. Please go to the Lansing Area Emmaus Community website at www.lansingemmaus.truepath.com to verify your information is correct on **IMS** and/or provide the updated information.

If you would like to work in the kitchen, dining room and/or snack area, please feel free to contact Peggy Pirhonen at pjtravel@hotmail.com or 989-292-0156. Also please feel free to contact me at gatherings and candlelight services.

Board Position Team Members for 2013

If you are interested in serving this community and God on a Board Team, please take a look at the different positions on page 7 and let the Board Chair of the position know you are interested in serving.

Outreach Report

By Kathy Dobie, Outreach Board Chair

“Encourage one another and build each other up, just as in fact you are doing.” ~ 1 Thessalonians 5:11

As my time on the Lansing Area Emmaus Board winds down, my heart is full and my head is buzzing. I am grateful to God that I have had this opportunity for the last three years to learn, to grow, to serve. It has been an interesting experience, full of challenges, but mostly full of blessings. Like many of you, I am blessed to serve. I do it because I believe without a doubt that God works through this body of believers in a mighty and powerful way, and I want to do whatever I can to assure that the Emmaus movement in the greater Lansing area remains strong and active for many, many years (and walks and flights!) to come.

When I accepted the invitation to join the board in 2009, five years after my walk, I really had no clue about what the responsibility would be. I knew that the walks required a great deal of commitment by the teams, both conference room and behind the scenes, but I did not fully understand the work of the board and all of the effort and time that goes into keeping our community vital and strong year round.

If you have never attended a board meeting, I would encourage you to do that sometime. They are typically held the second Tuesday night of the month, 7:00 PM, at Pilgrim UMC in St. Johns. This is the same church where we have our Friday night gatherings. The board meetings are open to the community members, and you might be astounded to see how the needs of the LAEC are managed by this devoted team of people. Elsewhere in this newsletter, Terrie Eisenmann, the ACLD, talks about how the board members have been intentionally focused this year on loving and caring for one another, and have been starting the meetings in the chapel in prayer and meditation. It has made a world of difference in how we relate to one another, and greatly increased the productivity and effectiveness of our meetings. Praise God!

One of the positions I have held this past year on the board is Outreach Chair. One of the responsibilities of this role is promoting Fourth Day (reunion, accountability) groups. I started the year out with a goal of visiting churches in our LAE community and connecting with community members, to educate congregations about Emmaus (who we are, what we do, etc.). My hope was to enlist someone at each church to be a liaison with the board, someone who would be willing to promote Emmaus within their church and keep current members in that church up to date on Emmaus information, and maintain personnel information in the Emmaus IMS Database.

It was a tall order, and I am leaving the board with a feeling of incompleteness, as if I have left the job undone. I realize, of course, that the work of Emmaus will never be done. It is constantly evolving and ongoing, and I am pleased with the progress that has been made. I have had some wonderful church visits, and so appreciate how welcomed I have been at each church I visited. I thank those of you who have offered to help, and I do hope to continue to serve on the Outreach Team with the new Chairperson as we carry on the important task of reaching out to this community. It will take time, lots of time, but I have every confidence that it will come to pass. If you are interested in helping us in this area, please feel free to contact me @ gddkld@aol.com or (517) 627-1351.

If you are not currently participating in a reunion group, please consider joining one...or starting one! Remember, all of the members of your group do not need to have attended an Emmaus Walk. Finally, please pray for the LAE board, for the transition of the new board members, and for this beautiful Emmaus community. Blessings!
